Forecast For The United Kingdom
Issued by Met Office Exeter
at 0400 on Thursday 11 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Windy with sunny spells and blustery showers.

Today:
A spell of very windy weather moving across England and Wales this morning, along with frequent heavy showers, followed by sunny spells and further showers, these falling as rain and hail with snow over northern hills.

Tonight:
Remaining windy with clear spells and showers most frequent in the west, heavy at times with hail and risk of thunder. Showers falling as snow over high ground, particularly Scotland.

Friday:
A breezy day with sunny spells and scattered showers, wintry over hills in the north, with more prolonged showers arriving into the west towards evening.

Outlook for Saturday to Monday:
Sunny spells and heavy, blustery showers Saturday, hill snow in the north. Showers in places Sunday, some longer periods of rain later. Rain in the west, the east drier Monday.
